

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUN - 3 2010

Honorable Kathryn Matayoshi
Interim Superintendent of Education
Hawaii Department of Education
1390 Miller Street, #307
Honolulu, Hawaii 96813

Dear Superintendent Matayoshi:

Thank you for the timely submission of Hawaii's Federal fiscal year (FFY) 2008 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part B of the Individuals with Disabilities Education Act (IDEA).

The Department has determined that, under IDEA section 616(d)(2)(A)(i), Hawaii meets the requirements of Part B of IDEA. The Department's determination is based on the totality of the State's data and information, including the State's FFY 2008 APR and revised SPP, other State-reported data, and other publicly available information. See the enclosure entitled "How the Department Made Determinations under Section 616(d) of the IDEA in 2010: Part B" for further details.

Specific factors affecting the determination made by the Office of Special Education Programs (OSEP) that Hawaii meets requirements under IDEA section 616(d) include: (1) Hawaii provided valid and reliable FFY 2008 data reflecting the measurement for each indicator; and (2) Hawaii reported high levels of compliance or correction for Indicators 9, 11, 12, 15, 16, 17, and 20. We commend Hawaii for its performance.

The enclosed table provides OSEP's analysis of the State's FFY 2008 APR and revised SPP and identifies, by indicator, OSEP's review of any revisions the State made to its targets, improvement activities (timelines and resources), and baseline data in the State's SPP. The table also identifies, by indicator: (1) the State's reported FFY 2008 data; (2) whether such data met the State's FFY 2008 targets and reflect progress or slippage from prior year's data; and (3) whether the State corrected findings of noncompliance.

As you know, pursuant to 34 CFR §300.602(b)(1)(i)(A), the SEA must report annually to the public on the performance of each local educational agency (LEA) located in the jurisdiction on the targets in the SPP. Because your jurisdiction is a unitary entity (i.e., the SEA is the only LEA), you may meet this public reporting requirement by posting your FFY 2008 APR on the SEA's website and making it available to the public, consistent with 34 CFR §300.602(b)(1)(i)(B). If your SPP includes revisions to baseline, targets or improvement activities in your APR submission, and OSEP accepted those revisions, please ensure that your SPP is updated accordingly and that the updated SPP is posted on the State's website and made available to the public, consistent with 34 CFR §300.602(b)(1)(i)(B).

OSEP is committed to supporting Hawaii's efforts to improve results for children and youth with disabilities and looks forward to working with your State over the next year. If you have any
